

What is stopping us?

- It's not too bad (denial)
 - What can one person do? (helplessness/hopelessness)
 - I can't bear to hear the news
 - Why don't they do something?
 - They (?) make me mad
 - I will pray for you
 - Maybe my next car will be electric
- Unacknowledged Grief
 - Despair
 - Anger – judging, blaming
 - Denial
 - Bargaining

Acceptance
